a government order was placed with Magema Dresden on 11 June 1952 in connection with the construction of four cold storage houses for army use. The installations will be built in Rostock, Stralsund, and Frankfurt/Oder, and are scheduled to be completed in late 1952.

Comment. The order probably refers to the construction of machine installations for cold storage houses by the Luft- und Kaelmetechnik Dresden, VVB Nagema, (Plant for Aerial and Thermal Technology in Dresden), formerly Schulz und Schultz, 8 Tharandter Strasse, Dresden A 28.
